PROFILE

Enthusiastic and motivated software engineer with 2 years of experience in full-stack web development. Proficient in various programming languages and technologies, including Java, Typescript, Spring Boot, Node.js, and Angular. Adept at analyzing, designing, coding, and deploying high-quality and scalable software solutions with a proven track record of delivering successful projects. I am excited to bring my technical expertise to dynamic projects and collaborative teams.

EXPERIENCES

Dec. 2022 – Today
Tangier, Morocco

Software Engineer (Full Time)
Sanford Federal ,Inc

Creation, maintenance, and deployment of ERP/CRM system:
- Transforming work processes from Excel sheets to a web-based application
- Design and modeling of functional project specifications
- Elaborated collaborations with other departments.
- Develop and test new features.
- Conducted debugging and issue resolution.
- Optimized the performance of specific features.

Technologies: Angular, Agular Material, Ngb Bootstrap , TypeScript, JavaScript , APX Chart, Node JS , Express, Mongoose, Multer, MongoDB , Microsoft Azure, Git, GitHub, REST APIs, Jira , Agile Methodology

Sep. 2022 –Dec 2022
Technopark Tangier, Morocco

Full Stack Devlopper (Interneship)
Sendatrack

Development of Vehicle Geolocation Platform
- Contribute to the functional study and design of a vehicle tracking and management platform.
- Develop and test new functionalities.
- Performed problem-solving and debugging tasks.

Technologies: Angular 13, Angular Material UI ,TypeScript,Leaflet, Bootstrap, Laravel(REST API), Agile Methodology

Mar. 2022 – Sep 2022
Tangier, Morocco

Software Engineer (End of Studies Internship)
PREMO Mediterranean

Analysis, Creation, and Deployment of a Digitalization System for Production Processes
- Digitizing production processes via web and mobile applications
- Analysis of functional and non-functional requirements and design with **UML**
- **Android Java** mobile development, **Angular/Spring boot** full stack development.
- Statistical calculation and data visualization using **PrimeNg** Library.
- Creation of a web server and deployment of the system on a local server using **Windows Server**, **Ubuntu** virtual machine, and **Apache Tomcat.**
- Testing and maintaining the system

Technologies: : Angular 13, PrimeNG UI ,Bootstrap, TypeScript, Java Spring(boot,Security,Data,MVC), Maven, Gradle, MongoDB Atlas, MongoDB Compass , Git, Github, Andriod Studio.

Aug. 2021 –Jan 2021
Tangier, Morocco

MEAN Stack Developer (Interneship)
Sendatrack

Development of a Professional Insertion platform
- Contribution to the analysis, modeling, and development of projects.
- Internationalization using i18n.
- Testing and maintenance of projects.

Technologies: Angular 11, TypeScript, JavaScript, MongoDB Atlas ,ExpressJS, Node.js, UML, Agile Methodology

EDUCATION

Jul 2022
Tanier, Morocco

Master's Degree In Computer And Mobile System
Faculty of Sciences and Techniques of Tangier

Jul 2020
Tangier, Morocco

Bachelor's Degree In Computer Engineering
Faculty of Sciences and Techniques of Tangier

Jul 2015
Tangier, Morocco

High School Degree In Mathematical sciences
Abdelkhalek Torres High Schoo

COMPETANCES

Technical skills	Soft Skils	Languages
Operating systems: Windows, Linux (Ubuntu, Kali, CentOS) **Web development technologies:** HTML, CSS, BOOTSTAP, JavsScript, Jquery, TypeScript. **Programming languages:** Java, Python, Javascript, C++, PHP **Framework:** Angular, NodeJS, ExpressJS Spring(boot, Security, Data, MVC), JEE. **Databases:** MongoDB, MySQL, SQL Server **Version control:** Git, GitHub **IDEs:** VS Code, IntelliJ IDEA, Eclipse **Methodologies:** Agil, UML, Continuous Integration/Continuous Deployment (CI/CD) **Network:** TCP/IP, DNS, DHCP, HTTP/HTTPS, FTP, Routing and Switching ,ACLs, VLAN	- Problem-solving - Team Collaboration - Time Management - Adaptability - Attention to Detail - Initiative - Creativity - Organization - Negotiation - Critical Thinking	**Arabic:** the mother tongue **Engilsh:** Intermidiate, Wall Street English certificate **French:** Intermidiate
